BIG REDUCTIONS IN RAILROAD WAGES

Calgary, June 17.—Pronouncedly 27,000,000 dollars from the exact payroll of \$35,930 railway employees by cutting of the wages and stationary freight from two to six cents an hour, the United States Railroad Labor board yesterday announced another wage slash, bringing total reductions under the board's orders up to \$132,000,000, including July 1.

Calgary's own cut is 1 cent an hour according to classification, bringing 5 cents and 6 cents 2 cents.

Approximately 1,200,000 railway employees will share the total reduction, which has brought wages on par with those of other industrial workers, and is expected to result in a strike vote of two to one in favor of the union.

The bulk of these hit by the new cut will be 30,000 clerical and 100,000 station employees.

Stationmen help-railers offer a six cent slash. Stationary engineers, firemen, and conductors, 100,000 were reduced two cents an hour.

GRASSHOPPER POISON

How It Should be Used.

A great deal of grasshopper poison bait is being used in the province, but by the department of agriculture through the fact that the bait is often put out at the wrong time of day, and in some cases before the hoppers have made their appearance at all.

Grasshoppers begin to feed in the morning when the sun becomes hot enough to heat them up, and this is the time to place the bait. Good judgment must be used in this regard, but from present observations on early warm days, the proper time to place the bait is between 9:30 and 10:30 in the morning. The effectiveness of the bait depends upon when this bait may be effective for two hours if the sun is not too hot, but not too late in the day. Some grasshoppers work rather than others, and the importance of having proper moisture condition in the bait.

D. W. WARNER, M.P., AND
THE G.W.V.A.

As a result of correspondence between the Edmonton G.W.V.A. and D. W. Warner, M.P., a letter has been received from the latter in which he promises to support the veterans' claim to re-establishment, which are being presented to the preliminary committee by C. G. McNeill, Dominion secretary of the soldiers' organization.

Mr. Warner says: "A report has been made out by the commission, and will shortly be before the house. I am ready to give it my support in any other way I can. I personally can do what I can to assist returned men. I am in close touch with the speaker, chairman of the commission. I have with him practically all the way through, and I am ready to back him up in regard to the affairs of returned men."

BIG SCHOOL PICNIC

The annual school picnic will be held on Gull Lake at McCleary beach on Friday, June 23rd. For picnic bins fair to be one of the biggest ever held in Alberta, and no picnic will be reported by the department of education at the school. Mr. Frank Hollick who has had several years' experience as a picnic chaperone, will be in charge of the picnic. The picnic will be a baseball game. We have a good record every year, and the school children's picnic, which is the outstanding feature, and certainly is a fun and exciting one. In this contest will be some of the best athletes and rollers in this part of Alberta.

Every boy, young and old is invited to bring lunch. Come early and stay late, no admission.

Bathurst, June 16th.—William, Kibara, Ltd., Edmonton, were the successful bidders for the Bathurst S.D. house of \$25,000, 7 per cent, 25-year debenture. The debenture was issued yesterday. The price paid was \$20,100, the money cost of the debenture, which represents 7.5 per cent. The competition for this issue was keen, there being six tenders submitted.

Crop Report

Edmonton, June 17.

Dry conditions prevail over the major portion of the province, and the need of rain is urgent, but generally speaking the condition of the crops in Alberta is fairly satisfactory at the present date according to the official reports which have been received by the agricultural department.

In the central areas of the province dry conditions prevail since the early rains from Edmonton south to Calgary, the section suffering the most being from Olds south to Calgary and eastward. There have been some local showers and general rains before and after, but will not put the grain in satisfactory condition. Rainfall, however, has been light over the whole territory from Edmonton to Calgary and eastward toward the boundary and along the main lines of the national railway.

Non-rain areas are experiencing dry conditions, but the crop generally is still fairly satisfactory. Good local showers fell on Friday, June 16, over the Edmonton district and south along the C. and H. Grande Prairie and Peace River districts. Report some need of rain from Edmonton east to the border and west to the foothills pasture and hay crops have suffered from lack of moisture, but the grain is standing up well and will show splendid growth if good rains come along soon. Frost ten days ago did damage to corn and to root crops.

Alberta Wins Highest Honors at Manitoba Agricultural College

Miss Lillian Archibald has returned from the Manitoba Agricultural College where, this year, she obtained her degree in Home Economics, and also won the University gold medal for the highest general proficiency. In the specialty of agriculture a similar medal was won by Joe Thompson of Hayer, Alberta. May our Sunny Alberta always come out on top.

Miss Archibald, besides winning three scholarships in the practical and scientific work of the college, always took a very active part in the various phases of college life—athletics, dramatics, social functions, etc., and on two occasions brought honor to her Alma Mater in intercollegiate debating, M.A.C. winning the championship. In this her graduation year, since the system of student government established in the college, she was elected among the 400 Student Body President.

She is spending the summer with her parents west of Ponoka and will not be absent from the province in Calgary, or the latter part of the summer certainly going to a very successful career in the dairy with her many friends in this community.

ORANGEMEN TO CELEBRATE AT PONOKA JULY 12th

At the regular outdoor meeting of the Red Deer Chapter of the 11th J.V. Orangeries of the Ponoka 1-1-1 to celebrate in Ponoka on July 12th, the twelfth was accepted and approved by all delegates present.

The local lodge already have had five committees at work and a good programme of sports is being planned.

On June 20.—A bill introduced in the Criminal Code in respect to transportation in half-blooded dogs was also introduced in the bill was very little discussed in the night. The bill was taken away from the committee for the purpose of introducing a bill also went through the committee.

Provincial News

New regulations concerning the hunting and killing of game in the north country have been put in effect, as announced by Benjamin Austin, chief game warden of the province, for some time. The regulations will be in effect from the 1st of July to the 31st of October. The regulations have been altered by residents and others. At the last session of the legislature the game act was amended to prohibit that no person shall kill game birds during the open season, which in the case of ducks and geese is from September 1st to December 1st, and for geese and ducks and geese from October 1st to October 31st. Exception has been made in the case of white winged geese, commonly called black ducks. These may be killed at any time north of the 50th parallel. In the case of big game the act now provides that residents in that part of the province residing north of the 50th parallel may kill big game during the close season only after having obtained a resident's big game license, but in no case are big game animals to be killed during the closed season unless required for food.

Announcement has been made by Attorney General J. B. Bracken of the appointment of W. C. Brown, superintendent of the Alberta provincial police, to be commissioner of the force in place of Commissioner Alfred Cook, who has returned east to Toronto.

Over 10,000 applications have been made to the department of education by students wishing to write on the departmental examinations this summer. There were over 12,000 examinations, 10,000 of which will be rural where high school examinations will be written.

Write for the three-by-elections for the provincial house, to be held in the villages of Redstone, Wainwright and Medicine Hat, have been named for the purpose of holding a referendum on the subject of the 1922 election on one week later.

A motion picture to determine whether or not slot machines are illegal gambling devices has been commenced by the attorney general's department in the courts of Edmonton.

The 1923 convention of the church of the Brethren, one of the largest organizations in the world, will be held at Stony Plain, and will bring about 20,000 visitors, mostly agriculturists, to the province.

Another feature of the market place which will be inaugurated this year will be the placing of a properly selected exhibit of seed and growers at some of the state fairs of the central and western states. This exhibit will be a continuation of the purpose of the department of encouraging a market for Alberta seed, but also for the immigration purposes. The exhibit will be placed in the state from where it is felt suitable settlers can be drawn, settlers who are in a position financially, and who are desirous of establishing themselves in Alberta.

Hon. George Hoadley, minister of agriculture, and S. G. Carlyle, headstock commissioner, will leave Thursday for Minnesota and Wisconsin for the purpose of selecting two Holstein herd bulls for the government, one of these to be for the Holstein herd at Stony Plain. Mr. Hoadley will go as far as Ottawa on the journey, after visiting points in the States.

Between the 20th and 30th of July Mr. Hoadley plans to personally conduct on behalf of the government a party of northern members of the legislature, and northern farmers, most of whom are some of the farming and irrigation districts in the south of the province, for the purpose of convincing farmers to go at first hand what the government and southern newspapers are attempting to accomplish.

Cultivate Your Summer Fallow

—WITH A—
MASSEY-HARRIS SPRING TOOTH CULTIVATOR

DO NOT USE A DISC HARROW on your Summer Fallow. It breaks the land, allows moisture to escape and does not destroy weeds, but merely covers them up. Use a Massey-Harris Spring Tooth Cultivator. It cultivates the surface to the desired depth, covers moisture by breaking the surface, and kills weeds by beating them out by the roots. Our Cultivator is equipped with power lift, four castings, steel reversible points and 75-lb. duck foot shovels. Three sizes 8, 10 and 12 foot. NO FURROW IS COMPLETE WITHOUT THIS IMPLEMENT. DROP IN AND GET PRICES AND OTHER PARTICULARS.

What Makes Roden's Glass So Heavy?

BEAUTIFUL, sparkling like a diamond, cut glass is always a joy.
But why is it so heavy?

The lead for cut glass (and for other fine glass, such as that for optical use, electric light bulbs, etc.) is first changed into lead oxide by burning it in a furnace. This oxide is known as red-lead. It is a reddish powder.

This powder, mixed with silica (fine white sand) and potash, becomes clear glass when melted in a furnace. At a lower temperature, the molten glass is blown into various shapes.

Roden's Richly Cut Glass is the Best Procurable—and Don't Forget—
IT IS SOLD IN THE JEWELRY TRADE ONLY

OTTINGS
OF
TOWN AND
COUNTRY

Local News.

Ed. Martin is making extensive additions to his residence.

Mrs. K. Hopkins, of the Bank of Commerce staff, is spending her vacation at her home in Nanaimo.

Mrs. F. R. Edwards and daughter, Betty, left on a visit to Quebec on Monday.

Mrs. Mary Fleming and daughter, Florence, have gone on a visit to Woodstock, Illinois.

Mrs. J. C. Beck, of Kerrobert, is spending a few days with her parents, Mr and Mrs T. J. West.

Mrs. A. W. Perry, of Edmonton, has been spending a few days with her father, John Bowes, of Eastview.

Bruce Patterson and sister, Mrs. W. W. Bush, and Mr and Mrs Chris. Albrecht, spent the weekend in Edmonton.

Mrs. J. M. Berline has received the sad news of the death of her mother. Deceased lady resided at Carls, Washington.

Carl P. Larsen and family, of Selkirk, have been spending a few days in town the past week visiting with their father and other relatives.

There was a good turnout at the Women's Institute picnic on Wednesday afternoon, and an enjoyable time was spent at Chain Lakes.

There have been several showers, and a little hail in some parts during the week, with the result that the crops are much improved. More rain would be welcome.

The "The Four Horsemen of the Apocalypse" was shown in the Empress Theatre last week. It was a wonderful picture in every respect.

A rather severe hail storm struck the Brookston district Monday afternoon, doing considerable damage.

Make a point of attending the 1st of July celebrations in Lacombe. The Great War Veterans' Association is putting up a very fine programme of sports.

The golf course at the hospital will be opened for play in the course of a week or so. J. G. LaFrance, secretary, desires that all parties who have handled in their names for membership would pay their fees as soon as convenient.

Baseball games are scheduled to be played on the Ponoka diamond between Elkton and Ponoka seniors teams on Friday, June 22nd, and Wednesday, June 28th.

W. M. Hotsenpiller, who has been on the local staff of the Bank of Montreal for a couple of years, has been appointed accountant in the Mundare branch. Mr Hotsenpiller has many friends in Ponoka, who will wish him the best of luck in his new appointment. The vacancy here has been filled by W. C. Scott, of the Morris branch.

Chauvignac opens on Monday, June 26th. Remember!

The annual Free Methodist camp meeting will be held in town from June 27th to July 9th. A large attendance is looked for.

Grand Orangemen celebration will be held in Ponoka on July 12. Watch for posters with sports programme.

COSTAIN—On Friday, June 16, to Mr and Mrs H. H. Costain, a son.

EX. UKD.—On Sunday, June 18, to Mr and Mrs Adlar Eklund, a daughter.

If you want to see a real western stampede go to Ferrybank on Tuesday, July 4th. A great day's sport is being arranged.

Several parties have been cancelled about running automobiles without the proper license. This should be paid heed to or a fine will follow. It is to be hoped that the old custom of issuing licenses locally will be reverted to by another year, as the accommodation was appreciated when W. E. Turner had them in charge.

J. S. McCullough, the genial Ponoka Springdale mail carrier is a man of many parts. Not only is he utilizing his autotruck for carrying the mails, but it is being utilized in felling trees and killing a hog occasionally.

Work on the new creamery is being pushed ahead by a large staff of workmen. Last week work was held up for a day on account of objection being taken to the site chosen for the building. There being no building restrictions with the area affected the objection amounted to nothing more or less than a joke, but then "that's Ponoka all over." It may be questionable if the erection of such a building in the centre of the town is an advantage, but that is not the point; the lots were bought and paid for, and there being no law to prohibit the situation must be accepted, and no fault can be found with the promoters. Let us have building restrictions passed forthwith so that a similar condition will not have to be faced in the future.

A picnic and dance will be held at the Liberty hall, Springdale on Tuesday, June 27th. Be present as a great time is in store for young and old.

The W.A. of St. Mary's will meet at the home of Mrs. Ruben Smith on Friday, June 23 at 2:30 p.m. sharp. Special meeting.

MILLINERY STORE—All old stock will be sold to clear at half price. Come in and have a look around—E. G. Hendley.

A picnic will be held at Brooks on July 6th. Usual line of sports—Baseball and basketball, etc. Dance in the evening. Red Deer orchestra will be in attendance.

A special meeting of the Blinn's C.F.A. local will be held in the schoolhouse on Friday, June 23rd. Hon. J. E. Brownlee will address the meeting. Non-members welcome.

WALLACE ARCHIBALD, Secy.

BASHAW MEETS DEFEAT AT THE HANDS OF PONOKA HIGH SCHOOL

On Tuesday, June 13, the first ball game was staged on the local diamond between Bashaw and the Ponoka High School. The students winning out by a score of 7 to 3. Bashaw was helped by Dittmer who pitched a great game and the crowd gave good support from his teammates.

In the first inning the school boys tallied two runs, and in the third put over another. In the fifth they collected three runs, and in the seventh they got their seventh run. Bashaw scored in the second, fifth and sixth. Batteries—Ponoka: Dittmer and Stoddard; Bashaw, Peterson and Reid. Umpire—Dan Bush.

BROOKSONA REGISTE'S A WIN OVER PONOKA INTERMEDIATES

The Brooksona Braves invaded the Ponoka diamond on Wednesday night and grabbed the ball game by a score of 7 to 6. Mattson secured the full back for Brooksona and played along fairly well until the fourth inning, when the Intermediates found him. He was replaced by A. Mullins in the fifth. Russell was in the line for Ponoka, but was not up to his usual form. In the eighth he was controlled and on two occasions allowed them to force the plate on wild pitches.

The visitors scored three in the first inning, and the remainder of their tallies were in the second, fourth and fifth innings. The Intermediates secured one run in the first and one in the fourth, and in the sixth staged a rally—four runs crowding the plate. Batteries—Ponoka: Russell and Stoddard; Brooksona: Mattson, Mullins and Haug. Umpire—J. G. LaFrance.

Eastside

On Saturday night the Eastside Junior baseball team met a picked team from the Clinmax and Wood River seniors. Though our boys were much smaller they defeated the visitors, the score being 13 to 7. The visitors think something would have been preferable to day-light. There was a good crowd and much enthusiasm exhibited. The boys plan to play a number of teams in the immediate future. Now watch their lust.

Victoria, June 30.—Forest fires in British Columbia have jumped from 295 to 517, during the last week as a result of the continued dry and hot weather.

FOUNDERS IN CANADA

ON Place d'Armes in the City of Montreal stands a monument to Sieur de Maisonneuve who, landing near this spot in the year 1642, founded the settlement which is now the City of Montreal.

Facing Place d'Armes stands the Bank of Montreal, which opened its doors for business a short distance from the same spot over one hundred years ago.

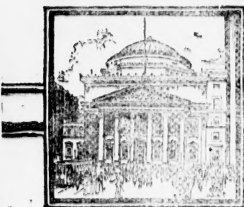

From the Settlement founded by Maisonneuve, civilization has spread to the east and west until today the Dominion of Canada extends from Halifax to Vancouver.

Likewise the Bank of Montreal has grown, until after over a century of steady and conservative progress, it today has Branches in all of the cities and larger towns in Canada, with offices in the principal financial centres of the world, and correspondents in every country.

Dominion .22's

Add real joy to the gobster
hunt by using these accu-
rate, dependable little car-
tridges that give accurate
results.
Dominion .22's Mushrom
bullet means a bigger bag
and quicker ride of the
pest.
Dominion .22's are not
backed by the big
"D" trademark but by our
personal guarantee, which
is behind our entire stock
of Dominion Cartridges
and shotgun shells, rifles,
shotguns.
